

CONFIDENTIAL

1. Comparison of present and proposed table of organization, Inspection and Security.

25X1

[redacted] recapitulation was made on the basis that a previous request for increase of [redacted] positions had been approved. These [redacted] positions were never reflected in a table of organization change, therefore should be considered now.

25X1

2. The proposed table of organization calls for an upgrading of about 5% of the positions. The whole security concept is fairly new to government so that it is difficult to use past experience to any great degree in determining grade structure.

3. Classification has made recommendations to lower certain grades in Audit Division (see Page 2).
